Cool Kids Campaign

The Academy team gathered at Guilford Hall Brewery for our quarterly team meeting in May. We heard from internal and external partners poised to help our clients. We also discussed improvements and enhanced services provided by our Academy professional staff to better serve our clients.

We then shifted our attention to supporting a local charity, Cool Kids Campaign. Cool Kids Campaign provides support and resources to children battling cancer, their siblings, and their entire family focusing on everyone's academic, social, and emotional needs. A child and families battling cancer have unexpected hospital visits and stays. Academy partnered with Cool Kids to provide toiletry kits for parents who end up at the hospital unexpectedly. Academy provided the personal hygiene supplies, bags to put them in, and the manpower to build 150 kits! Cool Kids plans to leave a supply at various pediatric oncology units in the Baltimore area. <https://coolkidscampaign.org/>
